# CSS box-size 設定　(Margin & Padding)

一、定義

(一)Margin　邊界(邊框外推：邊框←→邊界的距離)

(二)Border　邊框

(三)Padding　留白(邊框內推：邊框←→內容的距離)

二、**Box-sizing 準則**

(一)預設：以內文框(content)為準，Box-sizing=content

(二)實際較好用，避免跑版：以邊框為準，Box-sizing=border=content + padding + border

```
* {
    box-sizing: border-box;
}
```

```
.box {
    width: 600px;
    height: 300px;
    border: 10px solid ◻red
}
```

```
.box1 {
    background-color: ◻rgb(210, 235, 235);
    margin: 20px 30PX 50PX 60pX;
    padding: 50px;
}

.box2 {
    background-color: ◻rgb(232, 209, 209);
    margin-top: 30px;
    padding-bottom: 0px;
}
```

刑事警察局偵查科今天發布重要緊急查緝專案指出，26歲姜姓受刑人涉台中監獄外役監返家探親逾假未歸脫逃案，經台中監獄發現後，除通報轄區台中市政府警察局第四分局查緝，並由刑事局發布查緝，台中市警局第四分局告訴記者，全案已加強相關查緝工作，並已通報姜姓受刑人戶籍所在地雲林縣斗六市警方協尋。台中監獄外役監發生脫逃案今年已發生第2起，今年2月間黃姓受刑人逾假未歸，經台中監獄通報協尋後，警方在黃男位於南投縣的住處發現陳屍家中，檢警調查後，排除外力介入。

The US carried out a drone strike in Kabul days later, saying it had targeted a suicide bomber, only to admit that the missile had killed 10 civilians, including seven children. British troops were also involved in the withdrawal, which Defence Secretary Ben Wallace said at the time had put the UK "in a very difficult position". On Thursday, President Biden's national security spokesman, John Kirby, blamed the chaos on a depleted operation in Afghanistan inherited from the Trump administration. The report refers to "neglect - and in some cases deliberate degradation" by the Trump administration. Mr Kirby said that phrase refers to the agreement the former president had struck with the insurgents a year earlier in Qatar to end the war, as well as the drawdown of US troops during Mr Trump's tenure, the freeing of thousands of Taliban prisoners and the hollowing out of the visa program used to evacuate Afghan allies. "Transitions matter," said Mr Kirby, as he presented a summary of the report. "That's the first lesson learned here. And the incoming administration wasn't afforded much of one."
